**Monitoring Well Application
General Instructions**

1. For permanent wells/piezimeters etc. each application form can accommodate up to six wells but be sure to show all well I.D. designations at the top of the form. For example: M.W.-3, M.W.-4 etc.

2. For borings, hydropunches etc one application is needed for any number installed at the same time on one site (see item 3 for off site drilling). Hole destruction methods need to be specified in the workplan.
3. For off-site drilling the wells/borings located on an off-site property need to be on an application specific to that property (to accommodate the off-site owners acknowledgement).

Note: Shallow hand borings may be exempt from permit requirements depending on site specific conditions - contact this office for details.
